

SLE Pen Portrait

Name: Melios Michael

Current Position: Associate Senior Leader

Current School: Hamstead Hall Academy

SLE Specialisms:

Strategic planning from a head of Maths perspective
Interventions for more able students
Curriculum development (Maths)
Peer mentoring strategies (whole school)
Assessments and monitoring progress
Improving Maths lesson planning and delivery
Behaviour management strategies
Subject specialism support (GCSE and A level)
Support with resources and effective implementation techniques

Current Responsibilities:

Associate Senior Leader: monitoring more able students across the academy, engaging with students in various projects and setting interventions to improve progress.

Head of Maths: leading the Maths department at Hamstead Hall Academy. An active department in various projects across all 3 key stages: Problem Solving and Reasoning, Maths Mastery, ICCAMs, Maths in Context, Bridging the Gap between KS2 and KS3, enriching and extending KS4 and many more.

Pearson Credible Expert: Working with Pearson to support schools on delivering KS4 and KS5 qualifications. Offering resources and sharing strategies on effective implementation. Collaborating with Casio to find effective ways to use the graphic calculator in both KS4 and KS5.

Leadership Experience:

Associate Senior Leader: working with the senior leadership team of the academy to improve attainment, strategic action planning to improve procedures and supporting staff in offering an all rounded experience to the students

Head of Maths: leading a team of 13 staff, 2 key stage leaders and an SEN subject coordinator.
