

September 2017

Dear Parents/Carers,

The Arthur Terry School Fund

I am delighted to introduce 'The Arthur Terry School Fund' to you. Following donations from previous and current parents/carers, we have been able to update facilities and resources including buying new equipment for our many departments and supporting the launch of the new Praise Policy for student awards and events.

We would like to invite all of our parents to continue the tradition of supporting additional resources for the school. As an outstanding school, your financial support, no matter how small or large enables us to continue the development of our facilities for the benefit of all our students.

We are therefore requesting the support of all families to make a monthly contribution to our school fund by completion of the attached Bank Standing Order and Gift Aid Form or by accessing Parentpay. We will also accept cheque donations throughout the year (cheques made payable to 'The Arthur Terry School'). Please note that by completing the Gift Aid section of the form, this will add a further 25p in the pound to your donation.

I enclose a leaflet explaining why the School Fund is important to the students and the school, what the fund achieves, and with your support, will continue to achieve in the future. Do please help the continuation of our School Fund by completing the attached donation form or alternatively you can find a copy of the form on the school website. Please return to Finance Department.

Thank you in advance for your kind and generous donation. This will provide direct benefit for your child and help us to support their ambitions for the future.

Yours sincerely,

Mrs S Kibble
Associate Headteacher
