

The Arthur Terry School is an Academy and part of the Arthur Terry Learning Partnership. The Governing Body is made up of parents, staff and members of the local community, who meet a minimum of twice a term. They act as a critical friend and offer support to ensure the school has a strong vision, a good ethos and a sound strategic approach; to ultimately help each child reach their full potential in a safe and successful learning environment. They also monitor the schools' financial performance to ensure it provides good value for money.
